

**Announcing:**

# Early Childhood Management Training

The Division of Child Care Services and the regional Early Childhood Enrichment offices are excited to announce the release of a new Early Childhood Management Training. This training is specifically designed to help those who manage Child Care Centers, Group Family Daycares, Family Daycares, Preschools, and Out of School Time Programs.

The training is divided into four areas:

- Managing Early Childhood Programs
- The Cost of Quality in Early Childhood Programs
- Staff Considerations
- Policies, Procedures & Partnerships in Early Childhood Programs

This curriculum meets the Division of Child Care Services, Licensing and Pathways requirements. 20 hours of training credit is given.

Cost: \$40 for the 20 hours of training.

Please check with your regional ECE office for more details on when these classes are scheduled!
